

# F508 | Professional Auto Scan Tool Cost-Effective Diagnostic Platform

FCAR F508 is the latest diagnostic scanner developed for passenger vehicles, covering major makes on the market. F508 provides full-system diagnosis including but not limited to Engine, AT, ABS, SRS, TPMS, and SAS. With years of experience in auto diagnostics, FCAR has a better and bigger database for F508. Moreover, the newly-designed diagnostic tablet has been upgraded to be more powerful in specifications but much smaller in size and lighter in weight. As a comprehensive and cost-effective scanner, F508 is able to serve the needs of all kind.
