

Ex Pole Mount XF40

Explosion-protected pole mount

Ex Pole Mount XF40 is an electropolished 316L stainless steel pole mount. Together with the required Ex Wall Mount XF40, it allows the fixed explosion-protected network cameras to be mounted on poles. It is designed for poles with a diameter between 90 to 120 mm (3.5 to 4.7 in) in diameter. The pole mount is ideal for onshore, offshore, marine and heavy industrial applications.
