

# RED WING STYLE #3228 MEN'S PETROKING 6 INCH BOOT

**EH** ELECTRICAL HAZARD

**NT** NON-METALLIC TOE

**PR** PUNCTURE RESISTANT

**SR** SLIP RESISTANT

Extremely lightweight and flexible, this puncture-resistant work boot with electrical hazard protection redefines how comfortable the heaviest-duty safety footwear can be. Advanced materials and innovative features help keep you safe and productive in the demanding environments common to the energy industry. The waterproof brown Nubuck leather upper, non-metallic safety toe and ForceGuard™ system surround the feet with the ultimate in protection from abrasions, oil/gas and other chemicals. Underneath, the TredMax rubber outsole provides best-in-class slip and heel resistance. Manufactured in Italy and meets or exceeds EN and ASTM safety standards.
