

PU Pneumatic Tube

Tube material - Polyurethane

● Ordering Code

PU	08 60	B
PU tube	Standard Specification Sheet	color

● Characteristics :

1. With good resistance to the high press, vibration, abrasion, climate, and flexion.
2. light weight, easy equipment, convenience to fitting.
3. male & female pneumatic fitting's size precision is high, applying for all kinds connector.
4. multifold colors of fitting offered.

※ Not explosion within 5 mins for 2 times working pressure, at normal temperature 60°C .
